

Network Symposium

*Shaping the future of
Integrative Oncology together*

Thursday, 24 September 2026

10:00 - 17:00

Kantonsspital Baden

Programme, registration & updates:
www.integrative-oncology.ch

We warmly invite you to the SNIO Network Symposium 2026, taking place at the Kantonspital Baden on Thursday, 24 September 2026.

This event will provide a forum for members with various professional backgrounds from all SNIO centres to share experiences, knowledge and visions and to facilitate exchange and friendship.

For the plenary sessions in the morning and the plenary seminars in the afternoon, SNIO is happy to welcome anyone interested in integrative oncology. Dedicated workshops by SNIO members for SNIO members will provide additional opportunities for exchange and networking.

We look forward to welcoming many participants and to an inspiring exchange.

Symposium Highlights

- ✓ Inspiring keynote lecture by Dr. Martin Inderbitzin
- ✓ Plenary sessions with experts from across Switzerland
- ✓ Networking lunch and interdisciplinary exchange
- ✓ Afternoon plenary seminars open to all participants
- ✓ Workshops by SNIO members for SNIO members
- ✓ Sharing knowledge, experience and future visions in integrative oncology
